

Bucks Boiler Cozy Care Plan Terms and Conditions.

We understand that terms and conditions are often extremely difficult to understand due to how they are written. We have tried to keep our Cozy Care Plan terms and conditions extremely clear so you know exactly what is and isn't covered.

1. Scope of Contract.

1.1 Bucks Boilers will provide the level of cover described within the 'Plan Summary' below subject to an initial chargeable service and inspection.

1.1 Bucks Boilers will provide the level of cover described within the 'Plan Summary' below. However, there is an initial 30-day period where you cannot make a claim. This is to prevent claims on pre-existing problems and to keep premiums competitive for all our customers.

1.2 When referring to 'We' this refers to Bucks Boilers Ltd.

1.3 This contract is strictly a maintenance contract and is not an insurance policy. Bucks Boilers Ltd is therefore not regulated by the FCA.

1.4 This plan is intended for domestic boilers only and will only carry out works at residential properties.

10. Exclusions

10.1 Any breakdown that is caused by sludge, scale or system deposits will not be covered - this will be confirmed by an independent water quality test if required (chargeable to customer if it fails).

10.2 Any breakdown that is a result of a problem with the water mains, electrical grid or gas main/meter. Including having no credit on a gas meter.

10.3 Pre-existing faults and defects in the design or installation of the system.

10.4 Any breakdowns caused by blocked drains backing up into the boiler.

10.5 Replacement of cosmetic parts such as boiler casings and covers.

10.6 Faults caused due to the fabric of the building, for example, pipes in walls bursting due to subsidence.

10.7 Any defects caused due to malicious actions, misuse or third party interference.

10.8 Any defect caused by; fire, flood, lightning, explosion, storm, frost, terrorism or the impact of any other extraneous cause.

10.9 We will not be held responsible for delays in the provision of parts from suppliers or delivery firms.

10.10 Designer radiators and towel rails will be attempted to be repaired but not covered for Replacement. Where a radiator requires changing we will only change for a standard white radiator.

10.11 As boilers get older for many reasons they become noisy, where noise is down to the age of the appliance we will not class this as a fault and is not covered under any plan.

10.12 We are not liable for any repairs to which we cannot gain reasonable access, removal of any obstructions will be at our sole discretion and will reserve the right to charge you at our standard rates. We may insist that you arrange for the obstruction prior to us carrying out the repair, we will not be held liable for any making good unless it's down to our negligence.

10.13 Any loss or damage to any property caused by the boiler, heating system or plumbing system breaking down for example damage to ceiling due to a leak.

10.14 The cost of removing sludge or scale from the system and the damage caused or adding corrosion inhibitor would not be covered.

10.15 Removal of dangerous materials for example asbestos.

10.19 Below Ground drainage.

10.20 Mains supply pipe.

10.21 Replacement of baths, shower cubicles, basins and toilets.

10.22 Gas supply pipe between meter and all appliances.

10.23 Unvented Cylinders.

10.24 Permitted by law where we are in breach of the terms of this contract or cannot honour the agreement the maximum liability will be limited to the cost of the relevant service plan you have in place. (Up to the amount you have paid for the current year). Under no circumstance are we liable for loss of earnings, profit, loss of goods, loss of business. None of these conditions limit us from the liability relating to death or personal injury from our negligence.

10.25 If the total repair cost exceeds £600 on any plan the boiler or system will be deemed beyond economical repair.

10.26 Repairs to your boiler are not included under any service-only Plan and are excluded under a boiler or system care Plan where the boiler is deemed, in our sole discretion, to be Beyond Economic Repair (BER). Your boiler will be BER if the heat exchanger fails or if the value of the boiler or programmer is less than the cost of the parts to repair it.

The table below illustrates the BER value of a boiler according to its age:

Age (in years)	Nominal Boiler Value	Value after depreciation per annum @ 18%
1	£1000	£820

11.2 Customers must give 24 hours notice to change an appointment date/time.

12. Use of Subcontractors.

12.1 We reserve the right to use subcontractors to carry out any breakdowns or annual services. All subcontractors will be Gas Safe registered and vetted by us for suitability.

13. Period, Renewal and Payment Contract.

13.1 This contract is valid for a period of 1 year (12 months) from the date the first direct debit is collected.

13.2 The contract will be automatically renewed into a monthly rolling contract unless instructed by the customer to cancel. The customer must give notice no later than 14 days before the renewal date.

13.3 We reserve the right to cancel the renewal of any contract without giving a reason.

13.4 In the event of non-payment of the Direct Debit cover will be suspended until the account is brought up to date and no works will be carried out.

13.5 The contract is cancelled if the customer misses 3 consecutive payments without contact after the initial 12 months period. Failure to make payments within the initial 12 month period will result in payment to get the account balance up to date.

13.6 We reserve the right to cancel any policy at any time if a customer is found to have broken any terms in these conditions.

13.7 If the customer cancels their plan before 12 months, they will be liable to pay the remainder of the 12 months.

14. Certificates

14.1 All certificates will be held electronically by Bucks Boilers Ltd.

14.2 Customers can request copies of any certificate at any time via email without charge.

14.3 Customers can request a hard copy of any certificate subject to a printing and postage charge of £5.

15. Cooling Off Period

15.1. Customers are entitled to a full refund within 14 days of signing the contract. Any breakdowns within this cooling-off period will be charged at the full amount in the event of cancellation.

16. Limitations

16.1 In the case of a Plan including boiler or system care, when we carry out your first boiler service and inspection of your boiler and system, if it transpires that your boiler and/or system were not safe and in good working order at the time of your application then we will give you a quote for the additional work required to bring your boiler and/or system up to the required standard. You are under no obligation to have the work undertaken, but if you decide not to go ahead with the work we will cancel your Plan and you will be invoiced for the cost of our visit and for any work carried out (less any payments received in respect of the Plan).
